

*Dear Friend,*

*At the Annual General Meeting on 10<sup>th</sup> November 2015 the committee presented a detailed report<sup>1</sup> recommending that we proceed with the project to extend the clubhouse. These proposals received the overwhelming support of members present.*

*The plan to provide enhanced facilities and capabilities for all our members has received strong support throughout. The committee and wider members of the fund-raising group wish to provide all members and friends with the opportunity to actively support the early delivery of the project through a 'Buy a Brick' scheme. Again, the AGM offered overwhelming support for this proposal.*

*Each of the 250 squares on the tennis racquet represents one brick to be purchased at £40 each with an overall target of £10,000.*

*I would therefore invite you to join us in realising this long held ambition by buying one or more bricks and/or making a donation. Please complete and return the attached form. If you are a tax payer, then your contribution will also attract Gift Aid.*

*I am delighted to say that following the AGM and prior to the launch of this appeal we have already received commitments to purchase 30 bricks.*

*If one brick is purchased for each member, then we will comfortably achieve our target.*

*Our aim is to deliver the project in time for the new season in April. With your support we can achieve that ambition.*

*I should like to thank everyone in the club who has supported the project to date. I hope that you will feel able to support the Buy a Brick scheme and that we have the opportunity to welcome you to our new clubhouse in April.*

*Best wishes*

*Paul W. Thomson*

*Paul Thomson, President (On behalf of the Committee)*
